THE EXPERIENCE

A hen do with a difference

Swap the usual plans for an afternoon or evening making something together. Whether your group are complete beginners or seasoned makers, our sessions are designed so everyone can join in and enjoy it.

CHOOSE YOUR EXPERIENCE

1

Pottery handbuilding

Shape your own pieces by hand with pinch, coil and slab techniques. Perfect for groups who want to chat, laugh and create at the same time.

2

Throwing on the wheel

Have a go on the potter's wheel for something a little more adventurous. Expect plenty of giggles as everyone gets to grips with the clay.

3

Bespoke

We can come to you and tailor an event just for you and your guests.

Great for groups who want to stay in their accommodation.

FANCY SOMETHING CHEEKY?

Our “rudie nudie” pots

For hens who like a laugh, our cheeky pots are always a hit, and they make brilliant little vases for flowers afterwards. Or keep it classic with mugs, bowls and keepsakes. You choose the mood, we'll make it happen.

HOW IT WORKS

Everything you need for a brilliant celebration

1

Flexible locations

Join us at one of our studios in Ashbourne, Loughborough or Peak Village, or we can bring the whole experience to you: your party house, a local pub, or a venue of your choice. We bring the clay, tools, tuition and encouragement; you bring the group.

2

Friendly competition

We run fun challenges throughout the session, with a special prize for the bride-to-be.

3

Prosecco and nibbles

Make it a proper party. We can add prosecco and nibbles to your hen do package.

4

Take home happy memories

Your handbuilt creations are fired in our kilns for collection at a later date.
Thrown pots can be taken away on the day and dried out at home.

5

All abilities welcome

No experience is needed. Our tutors guide everyone step by step, so the whole group can relax and enjoy it.

LET'S PLAN YOUR PARTY

Ready to book?
